## **PROPOSED CHANGE TO RETIREE HEALTH CARE BENEFITS**

Effective January 1, 2001, all qualified Collin County retirees will be eligible to use the Employee Health Clinic to utilize the same health care services as active insured employees. It is **not** necessary for the retiree to pay group health premiums in order to use this service for his/her self, however any dependents of the retiree must be insured under the plan to use this service.

A 'qualified' Collin County retiree is defined as any retiree who is currently receiving a monthly annuity from TCDRS.
